

## Avonvale Cushingoid Horse Health Scheme

At Avonvale Equine, we appreciate that caring for horses on long term medication is a huge commitment. Cushing's Disease, officially known as Pars Pituitary Intermedia Dysfunction (PPID) is commonly seen in teenage or older horses and as a life-long degenerative condition, is managed by medication, which horses stay on for the rest of their life.

We are delighted to introduce our new 'Cushingoid Horse Health Scheme', designed to offer you a simple, convenient and affordable plan, spreading the cost of essential treatment and drugs by means of a simple monthly direct debit, with excellent cost saving benefits.

### What's included?

- 2 x prescription checks per year, including clinical examination on yard \*
- 2 x ACTH monitoring blood tests per year, including sampling and handling fees
- 25% discount on full boxes of Pergoquin (box of 200)
- Dedicated phone call from our experienced vets to discuss blood results, tailoring a personalised plan for your horse
- Free use of weighbridge in clinic
- Free advice from our team of vets, 24/7

\*This service is available under the free zone visit scheme (see separate terms and conditions). For appointments outside the zone visit scheme, a call out fee will be charged and must be paid as per our normal terms and conditions.

### What are the benefits?

- A hassle-free scheme, with regular check-ups
- Simple monthly payments allowing you to spread the cost and budget easily
- 25% discount off Pergoquin (only applicable to full boxes)
- Potential savings of over £185.00 a year (figures based on horse needing 1 tablet per day)
- Medication dispensed directly from the practice, so no need to send off prescriptions
- Seamless care and support for your cushingoid horse at all times

### What's the cost?

The cost of our monthly scheme is £17.50 per month, per horse, taken by direct debit. Payment can also be made upfront on an annual basis if this is preferred. Terms and conditions apply, please see our website for further details – [www.avonvaleequine.co.uk](http://www.avonvaleequine.co.uk).

### What to do next:

Simply complete the registration form, including your bank details, in order to set up the direct debit and we'll do the rest. If you have any questions, please just call our team on 01295 670501.

For more information on Cushing's Disease (PPID), please visit the blog on our website.

**Terms and Conditions:**

- The Avonvale 'Cushingoid Horse Health Scheme' is a rolling monthly programme which is set up via direct debit. The direct debit payments are made in advance, through our third-party supplier Easy Direct Debits Limited, although your agreement for the scheme is with Avonvale Veterinary Practice Ltd.
- The first month's payment will be taken over the phone by credit or debit card and subsequent payments will be taken by direct debit. You must be over the age of 18 to sign up to the plan.
- If the direct debit mandate is cancelled or a payment missed, the scheme will cease immediately and no further treatment, drugs or discount will be offered. Any outstanding amount for services already received will be invoiced in full, under our normal terms and conditions.
- Termination of the scheme must be by consultation between the client and Avonvale Equine Practice and will be subject to at least one month's notice.
- The benefits of this scheme only relate to the specific horse named within your application and are non-transferable. Microchip number must be checked and on our system.
- Any treatment given outside the scope of the scheme will be charged at normal practice rates. All normal terms and conditions relating to your account will remain.
- 25% discount applies to full boxes of Pergoquin only. Other forms of pergolide product are available but are not eligible for discount.
- When ordering medication, we require 48 hours advance notice to ensure we have adequate stock.
- Services covered are included within the free zone visit scheme and do not include a call out fee which will be applied if an appointment is made outside the scope of the zone visit scheme. See full terms and conditions of zone scheme at : [www.avonvaleequine.co.uk/zone-visits/](http://www.avonvaleequine.co.uk/zone-visits/).
- It is the responsibility of the client to book appointments for check-ups. Medication can only be dispensed if your horse has been seen by a Veterinary Surgeon within the last six months.
- Our full terms and conditions can be found on our website: [www.avonvaleequine.co.uk](http://www.avonvaleequine.co.uk).
- Any changes to the scheme will be notified to you in writing with at least one month's notice.
